Dear Parent/Carer

## **Prepared for Excellence**

To further support both our high standards and expectations of all students, we are introducing our “Prepared for Excellence” Behaviour Policy which will come into effect in September 2017.

Here at The Kingswinford School we believe that every student is entitled to learn in a disruption-free environment, every lesson of every day.

The principle underpinning the policy is the simple premise that any disruption of learning is unacceptable and as such will not be permitted. Students who disturb the learning environment will be given a clear warning and their name written on the board. If they disturb the lesson again they will be sent out of the class to a separate classroom and will work there until the same period the following day.

For instance, if a child is removed during period 2 on a Tuesday, they will not return to their timetabled lesson until period 3 on Wednesday. Students will also have an additional 50 minutes after school to allow the teacher from whose lesson they were removed from to meet with the student, evaluate how to succeed and next steps for the following lesson. This time to refocus is critical and parents will be notified by text message before 2pm that their child will be leaving school at 4.00pm.

We will be running an induction to this process from next week which will see disruptive students removed from lessons for up to two hours before returning to class. You will be contacted if your child is removed from lessons. We are sure, as a parent, you will support our continued drive to improve our high standards and reinforce the importance of all students being able to learn in disruption-free lessons and make maximum progress in their academic studies.

I would like to invite any parents who wish to hear more on this exciting development to complete the form overleaf and attend a Parent’s Forum on Thursday 13<sup>th</sup> July 2017, 4.00pm – 4.30pm in the drama studio.

Yours sincerely,

**Mr D Stanton**
