Letters for staff /Y11 report1 18.19

19 December 2018

Dear Parent / Carer,

## Year 11 Report and Parents' Evening

The enclosed report shows teachers' current predictions about your child's likely performance in their GCSEs, as well as their teacher's assessment of their behaviour and attitude to learning. Their grades are based on assessments conducted in class this year, as well as their mock examinations. The level of security of each grade, indicated by the + and – symbols is to help you understand whether your child is secure in that subject, perhaps with a chance to improve their grade or whether they are borderline and will need to work hard to achieve the prediction. **The grade given at this point represents our best prediction of your child's performance this summer, based on their current level of effort.** There is still enough time for all students to make significant improvements in their approach to learning and therefore their final grade.

In order to discuss your child's progress with teachers, we would like to invite you to attend **Year 11 Parents' Evening on Wednesday the 16<sup>th</sup> of January from 4.30pm to 7.30pm.** This will be a valuable opportunity to discuss the mock examination results your child achieved and their likely results in the summer. In addition, you will be able to discuss upcoming topics and strategies for revision, to help your child achieve well in the summer.

To make booking appointments easier, we are changing to an electronic booking system this year. Guidance on how to access the system and book appointments will be given to out on **Monday 7<sup>th</sup> January**, once the system goes live. The system requires a valid email address to authenticate each parent login so please email [lwise@kingswinford.windsoracademytrust.org.uk](mailto:lwise@kingswinford.windsoracademytrust.org.uk) if you have changed your email address recently or you don't have one on file, so that we can update our records.

Finally, a reminder that applications can now be made to local colleges and some need to be in this month. Please ensure your child applies to their chosen college promptly, in order to give them the best chance of securing a place at the provider of their choice.

If you have any questions about this report please direct them to your child's form tutor in the first instance.

Yours faithfully

**Mr T Macdonald**  
Headteacher
