14<sup>th</sup> March 2018

Dear Parent/Carer

**Re: Year 11 Achieve Excellence Evening**

I am writing to invite you to a special evening we are organising for Year 11 parents, to be held on Wednesday 28<sup>th</sup> March 2018. Year 11 students are also invited to attend with their parents.

During the evening, we will be providing advice on how you can best support your child with their GCSE exam preparation and revision at this important and challenging time. As you know the exam system has changed from previous years to a linear approach, where subjects have a single set of GCSE examinations in the summer which will determine their final grade. Therefore, effective support with revision is more important than ever.

At this event, we will provide some general advice and guidance on preparation for examinations and you will be able to attend workshops from the English, Maths and Science teams (subjects which all students study). We will be providing information about the examination process for these subjects and some subject specific top tips. In addition, Connexions, our careers service, will be there and you will also be able to talk to the Senior Leadership Team, should you have any queries or concerns.

We hope that attendance will be very high at this event, so will divide the evening by student's house group with different starting times, to accommodate large numbers. The starting times are given below – please do try to arrive promptly as we will have a tight timescale to try to fit in all of the talks/activities within one hour.

Argon and Neon Houses – 5pm      Krypton and Helium Houses – 6pm

Please arrive through the main school reception, where you can collect a useful information pack. The evening will last approximately 1 hour. We know that students achieve highly when there is strong collaboration between school and home. I look forward to welcoming you to this event, please complete and return the below slip to Form Tutors confirming your attendance.

Yours faithfully

T Macdonald  
Headteacher

Name of Year 11 Student..... House.....

I / We will / will not be attending the Year 11 Achieve Excellence evening on Wednesday 28<sup>th</sup> March 2018
