

S

SAFE

- Your address, phone number, email and photos are private. Keep them private and don't share on the internet.

M

MEETING

- Never EVER meet a 'friend' you have made online alone. Always take an adult with you; if your new friend doesn't mind then it's likely they will be genuine.

A

ACCEPTING

- Messages you receive from someone you don't know could contain a virus or nasty images. Never open the attachments from strangers.

R

RELIABLE

- Not everything you read on the internet is true. Not everyone is honest online; it's so easy to pretend to be someone you are not.

T

TELL

- If anything happens that upsets you online you must tell an adult about it; they will help.
