

Year 9 Options

In Year 9, your child embarks on an exciting and challenging part of their life at The Kingswinford School, as they pick their options and progress into Key Stage 4. All students study English, Maths, Science and Core PE, they then choose 4 options subjects to study as well.

On this page is a link to this year's options booklet. The options booklet contains information and guidance about the options process, staff to speak to and the subjects on offer. Please study the options booklet carefully to help your child make the important decision about the subjects they wish to pursue at Key Stage 4.

Key dates:

Year 9 Parents' Evening – Wednesday 6th March – this evening precedes the Options Evening to allow students, parents and carers to discuss current performance in lessons, as well as gathering information on options subjects that they may be thinking of choosing.

Year 9 Options Evening – Wednesday 13th March - Year 9 Options Evening follows the Year 9 Parents Evening on Wednesday 13th March 2019 so that parents, carers and students have the most recent progress data to help them make informed choices about their options. The evening will allow students to gather information about their option choices for GCSE studies. They can seek advice from subject teachers and pastoral staff about their career path and the best options to pick to fulfil their ambitions.

Deadline for completion of options forms – Friday 29th March
